- Frontend, Javascript, CSS, HTML, Spoonacular API interfacing, implementation of local storage
- Spoonacular API, Google Places API, HTML, Bootstrap, CSS

My Portfolio | https://github.com/kas1330/Updated-Portfolio | https://kas1330.github.io/Updated-Portfolio/portfolio.html
- A portfolio page to help you learn a little more about me
- Designed and built the page from the ground up
- HTML, CSS, JavaScript, Bootstrap

Network Sales Engineer (April 2019 – March 2020)(December 2020-Present)
Safety NetAccess, Clemmons, NC
- Design HSIA networks.
- Quote cabling, phone, audio, and CCTV solutions.
- Collaborate with sales and operations on network designs, and am part of a team that works directly with clients to assist in the sales cycle.
- Work directly with project management and field technicians to find the most cost effective solutions for issues that arise on site.
- Create a bill of materials for equipment and labor.
- Build a detailed scope of work for installations.

Key Accomplishments:
- Assigned to assist with the newly created MDU division of the company where we provide HSIA, Cabling, TV and Phone solutions to senior living facilities, apartment complexes, and student housing complexes.

Driver Helper (November 2017 – January 2018)(November 2018- January 2019)
United Parcel Service, Maspeth, NY, Winston-Salem, NC
- Organized packages to maximize delivery efficiency.
- Identified important packages and ensured they were given directly to the customer.
- Coordinated with driver to achieve maximum productivity.

Key Accomplishments:
- Was recognized in New York and North Carolina for my exceptional performance. Was given a one gallon water jug signed by my supervisor as a recognition of my efforts in North Carolina.

Book Seller (August 2015 – May 2017)
Barnes & Noble, Iona College Book Store, New Rochelle, NY
- Located required textbooks and materials for students based on course and professor.
- Collaborated with 3-5 staff members during periods of high volume to provide exceptional service and adhere to all inventory and loss prevention standards.

Quality Assurance Intern (July 2016 – October 2016)
eScholar LLC, White Plains, NY
- Updated and executed test plans written by the Quality Assurance Specialist.
- Assisted in the automation of test plans by using Java to write the methods needed.
- Identified anomalies, unexpected results and defects in testing results.
